

QHS Senior School and Sixth Form

Uniform and PE Kit

Notes

Please refer to the School Uniform Policy for detailed information on the expectations regarding how the school uniform should be worn.

All items marked 'QHS' will be school-specific and must be purchased from the school shop, including boys' trousers. This is to avoid discrepancies in shading, shape and quality of garments. Asterixed items may be purchased from elsewhere.

Items marked in red are either new or amended items.

Summer/Winter Uniform

Summer Uniform:

- First half term (September to end of October optional)
- Summer term (April to July) (Compulsory from after the May half term; optional from April)

In the event of unusually cold weather during summer months the Headteacher may declare a temporary return to winter uniform.

Summer and winter uniforms cannot be mixed together, e.g. the open neck shirt cannot be worn with black tights.

A school jumper has been added in most years. This is to be worn under the blazer.

The school fleece and tracksuit bottoms are mandatory items and will be required for PE and when representing the school in fixtures.

Where items are 'optional' there is no requirement for purchase. However, pupils are not permitted to wear replacement items bought elsewhere.
