A word from the Head

The term is in full flow with a plethora of activities and trips to speak about. The Q6s and senior school children put on their best clothes and dancing shoes and were treated to a night of pizza and music. Some fabulous dancing was on display with Kayden Dixon leading the way, back flipping his way onto the dance floor. Kayden has recently been picked to compete in the British Gymnastic Championships in Liverpool. Obviously all this practise has paid off. We wish him the very best!

Q4 and Q5 had a great trip to the Gurdwara in Northampton. They showed such a huge amount of respect and were fascinated learning about the Gurus and the Guru Granth Sahib. Nathan Davies, Isobel Thatcher and Savanah Metaj asked particularly insightful and pertinent questions throughout the visit.

The Q3s went to the Saints ground for a Maths enrichment event and had a super morning. It was so good to see all children being enthused and engaged with the maths activities that were on offer. Oscar Goody, Annabelle Flowers, Dexter Pettican and Jessica Milner need a special mention as they showed great perseverance and determination and applied a growth mind set approach to their learning and were not phased when they got something wrong. Well done.

A number of budding musicians performed exceptionally well during the Tea Time Concert. It is always so nice to see the passion, commitment and talent the pupils display. These concerts have been well received, providing the children with an opportunity to showcase all their hard work. Well done to everyone that performed

Could I remind all the children to have a black coat with them as it is a part of the school uniform and during these cold days it is vital that they have it with them.

The Young Voices concert was a truly inspirational event and I would like to thank all the children and parents who attended but I must give a special thank you to Miss Stone for organising it. We were treated to an array of wonderful acts that energised us all. A worthy cause with an abundance of talent on show. Lois Bonnell, Alex Giddens, George Donlevy and William Mooney typified the level of enthusiasm and vigour that the children displayed. They danced and sang with such enthusiasm and were a real credit to the school.

Thought of the fortnight: "Difficult roads often lead to beautiful destinations."
