Extra-Curricular Clubs

Spring Term 2019

QUINTON HOUSE SCHOOL

Hello Pupils,

Here is your Extra Curricular Booklet for the Spring Term 2019. Please read through this document and choose which clubs you would like to attend for the Spring Term. Please sign up for at least two clubs. Supervised Study does not count as a club - you will still need two additional clubs. It does not appear in this document, but Supervised Study will still run every day after school from 4pm-5pm in the ICT Suite.

Some clubs are number restricted so please make sure you sign up so as not to be disappointed. Should clubs become oversubscribed, arrangements will be made to suit each club, for example, names could be pulled out of a hat, clubs could be split into two groups and each group attends every second week, and so on.

If you have a problem with a club you have signed up for, please do not hesitate to speak to me about it, and I will do my best to help.

If you are unable to attend a club for any reason, a letter or email should be written by your parents/guardians, excusing you from that club.

Many thanks,

Mrs Masnica

QUINTON HOUSE SCHOOL

## GUIDELINES FOR STUDENTS

Here is a copy of all of the clubs available to you this term. Spend some time looking through this document and make a note of the activities you would like to attend. Please inform your form tutor by Friday 14<sup>th</sup> December 2018 of which clubs you would like to attend for the Spring Term.

The expectation is for each student to attend at least two clubs. **Supervised Study does not count as part of your two clubs.**

All clubs will commence the week beginning the **7<sup>th</sup> January 2019**.

By signing up to an activity, you are committing yourself every week to attend until the end of term. If you are unable to attend a session, or change your mind on your club selection, a parental note will be required. Please show the note to the relevant teacher beforehand.

Remember! If you are having instrumental or vocal lessons in school, or you are studying GCSE Music, you are expected to participate in at least one extra-curricular music activity (choir or band). Please also note that Sports Squads are by invitation only and take priority over all after school clubs.
