8th September 2019

Dear Parents/Guardians

I would like to formally welcome you and your families to Quinton House and also give a special welcome to all of our new students. We are very much looking forward to you being a valued part of our school community. I am absolutely delighted to have been entrusted to lead this wonderful school through the next chapter in its history and consider it a privilege to have been appointed as the new Principal.

Over the last ten days I have met many parents and students, who have reiterated their fondness for Quinton House and have offered constructive feedback. I have listened to their comments and will act upon them over the coming months. The relationships between the staff, students and their parents are fundamental to the success of the school. My expectations of the students, in terms of their achievement and behaviour, are exceptionally high and I very much value your support in reinforcing this.

This week we embarked upon using additional, external sports facilities. It was a delight to hear from individual students that this approach was received positively. May I ask you to remind your son/daughter that they must travel to and from sporting destinations in a full Quinton House tracksuit.

When visiting the school, I would like to encourage you all to use the one way system, in order to avoid congestion at the school gates. I wish to ensure the safety of everyone and enclose a map to assist you with this. We are, at present, in consultation with the planners investigating possibilities of widening the driveway to allow two-way traffic. I will keep you updated on our progress.

I am extremely pleased and excited to be able to announce that we will be relaunching our Sixth Form in September 2020, offering a new and diverse range of curriculum pathways. Quinton House Sixth Form will provide the very best educational experience for all. I am intending to hold an information evening regarding this, on Tuesday 15th October at 7.00pm. All parents are warmly invited to attend this event. If you are a present Year 11 parent and would like to discuss the matter in more detail, at an earlier date, I would be happy to meet with you on an individual basis.

On Tuesday 10th September, we have the Year 11 Target Setting evening. I really do encourage all Year 11 parents and students to attend.

This is an exciting time for Quinton House and I look forward to updating you on the many new initiatives for both the Preparatory and Senior school over the coming weeks.

With warmest wishes,

Mrs Jo Storey
Principal
