14th November 2020

Dear Parent/Guardians,

This week has been another busy week here at Quinton House School as we commemorated Armistice day on Wednesday. It was an honour to stand in solidarity as one community to remember the sacrifices that were made by others together with the sacrifices that continue to be made for the good of us all. I would like to take this opportunity to say a huge thank you to all the students who helped us to prepare for this and also to everyone who took part in the assembly. On Friday we collected a total of £746.35 for children in need. This is amazing during these times.

One of the things that has been affected badly by the pandemic is the friendships and camaraderie of taking part in sporting events including training sessions and practice sessions. I am pleased to inform you that we have an update on this. All sports clubs and training can re-start from 16th November – PE association and Sport England have given their approval as the initial government guidance has been updated to support the school's co-curricular programmes.

At Quinton House School we have a zero tolerance of bullying and as next week it is Anti-bullying week (16th- 20th November), there will be a variety of events and information sessions about this and we will be continuing to encourage a culture of safety and positivity across the school.

On Tuesday 17th November we have our Sixth Form Open Evening and this year it will be taking place via MS Teams. Further information regarding this has already been sent to Year 11 parents.

On Thursday 19th November at 6pm, we also have our scholarship Teams meeting and this is an opportunity to find out more regarding the scholarships that are offered at Quinton for entry into Years 7, 9 and 12 respectively. I look forward to meeting with you at this time.

I would also like to take this opportunity to wish everyone who is celebrating the Festival of lights this week a Happy Diwali and please stay safe during any celebrations.

Thank you for your patience and flexibility as we navigate our way through the lockdown restrictions.

With warmest wishes

Mrs Jo Storey

Principal of Quinton House School
