22nd May 2020

Dear Parents/Guardians,

As we come to the end of another half term, we can reflect on how different our lives are. As a community we have embraced the challenges head on with determination, flexibility and with some humour. Our staff and students have adapted to the new environment and ways of working. We all accept that it has been difficult, but your support and kind comments have and are making such a difference.

Half term is a time to recharge the batteries and prepare for the rest of the summer term. I respectfully request that Quinton staff are not contacted during this time, so that they can spend quality time with their families. I am always available if you have any questions or concerns over half term.

Over this weekend a few of us will be preparing the site with relevant markings and signage for reopening. We already adhere to all of the regulations for key worker children who have been on site since 23rd March.

On Monday there is a live Teams meeting for parents who have a child potentially returning to school on the 1st June at 7pm. A final decision will be made by the government on the 28th May if schools are actually reopening. I will obviously keep all parents updated.

If you have any questions, please do not hesitate to contact me.

I wish you all a restful half term.

With warmest wishes

Mrs J Storey
Principal
