

QUINTON HOUSE SCHOOL

22<sup>nd</sup> November 2020

Dear Parents/Guardians

The last few nights have been cold enough to remind us that Winter is just around the corner. I would like to ask everyone to take special care on the roads, as many are likely to be icy. We will continue to hold as many meetings on Teams as we can, to prevent unnecessary travel.

It has been noticeable that an increasing number of students are turning up to school without facemasks. Whilst the school does have a limited number of masks for emergencies, I would like to remind parents to try to ensure that students bring clean face masks to school. It is imperative that we all remain vigilant to mitigate the risk. May I extend my gratitude to you all for keeping me in the loop with family situations, so that we can act accordingly. Working in partnership as one community enables us to achieve so much and ultimately reduce the risk to everyone.

We held our Scholarship evening on Thursday, which allowed an opportunity for me to provide further information about the scholarships available at Quinton House. I would like to thank everyone who joined us for this. If you missed the meeting, information and application forms for scholarships are available from Mrs Ballantyne.

I would like to highlight to all parents that, from September 2021, we have a new scholarship, "Upholding Quinton Values". This is open to all year groups within the school and will be offered to students who demonstrate the embodiment of all we hold dear, here at Quinton. Values of respect, tolerance, acceptance and understanding, run hand in hand with identifying and addressing the needs of one another. The ability to reach out and enrich the lives of others, through making these qualities manifest, is the true basis of community. The Quinton community is unique, and recognition of those who embrace these qualities, as a natural and endemic part of who they are, is an essential element of rewarding and championing our ambassadors. I am enormously proud of all our students. Each one has talent and makes a hugely valuable contribution to the school community. For this reason, I anticipate that deciding on appropriate nominees and, ultimately, recipients, will be an incredibly difficult decision to make by the panel.

If you have any questions about the scholarships, please do not hesitate to contact me.

I wish you all a safe and productive week.

With warmest wishes

Mrs Jo Storey

Principal
