Dear Parents/Guardians

As we begin another week there is great discussion around schools reopening. I wanted to write to you to assure you that we are formulating plans for different scenarios in the background. However, until we receive further clear guidance, these are all open to change. We are aware that many parents will still have reservations regarding sending their child back to school until they are happy to do so. We will do everything we can to safeguard your child but will work in partnership with you and respect your wishes during this time.

This week our Teams meetings are as follows:

Year 6 - Monday 4<sup>th</sup> May at 19:00

Year 10 - Tuesday 5<sup>th</sup> May at 19:00

Year 5 - Wednesday 6<sup>th</sup> May at 19:00

Year 4 - Thursday 7<sup>th</sup> May at 19:00

I am delighted to have received such positive feedback regarding these meetings. They allow us as one community to come together and share information.

This week and next there are Cognita webinars on “How to make screen time and technology work for your family”, which will provide tips and advice on how to make the most out of the technology available and how to balance screen time. Beth Kerr, Cognita’s Group Wellbeing Director, will be joined by Simon Clinch, Computing Lead at St Margaret’s Prep School near Halstead in Essex, and Tim Evans, Educational Technology Coordinator at Stamford American School Hong Kong.

**Date and Time**

Thursday 7<sup>th</sup> May at 10:00

Tuesday 12<sup>th</sup> May at 17:00

**Before the Event** We suggest that you test out the relevant event link below 10-15 minutes prior to the start of the webinar for a smooth experience. NB: The webinar will not be live until the specified start time. If you are using the same computer that your son/daughter uses for their online learning,

you may want to make sure that your child has signed out of their Teams account before you click on the relevant link below.

I hope over this weekend you have managed to have some fun recording the Quinton Song. Mrs Saghri and I are hoping to record our version tomorrow in school; obviously adhering to all social distancing regulations. We are looking forward to receiving your contributions.

If you have any questions, please do not hesitate to contact me.

May I wish you a safe and productive week ahead.

With warmest wishes
