6th October 2019

Dear Parents/Guardians,

With the autumn days now upon us, it is often worth just looking at the splendour of the colours of the trees and foliage and the wonderful natural sights that surround us. The colours at Quinton House School are no exception.

Over the last week we have held parent information evenings both within the Prep and Senior schools and I really do hope you found them useful. The feedback that I have received directly from parents has been extremely positive.

During the week we also hosted the ISA Heads conference and it is always a delight to welcome visitors to Quinton House. In addition to this, the ISA art awards were awarded and I would like to thank all of the parents who came to view the wonderful work submitted by so many ISA schools. The standard was outstanding and this made judging the competition so hard. I am, however, absolutely delighted to announce that several of Quinton House students won top awards and I am looking forward to personally congratulating those students during the coming week.

Our Year 7 residential trip happened this week and it was an absolute joy to see them off and welcome them back. I hope that over the weekend students are refreshed and ready for the week ahead.

This coming week we have our Year 10 target setting evening on Tuesday and our informal 'Meet the Principal' on Wednesday morning open to all prospective parents. It is always impossible for me to mention all of the events that happen over a week in our school, but our on-line event calendar should keep you updated.

As we approach the 31st October which will be synonymous with more than just Halloween, I would like to remind you that we have our Pumpkin Trail on 13th October 2pm-4pm and you are all warmly invited.

On the 15th October, we have our Sixth Form Open information evening where I will be outlining the exceptional offering we will have for students joining our Sixth Form in September 2020. The evening starts at 7pm. For catering purposes, I would be grateful if you could let my PA (Mrs Sam Tipler) know if you will be attending.

I look forward to another exciting week at Quinton and wish you all the very best for the coming week.

With warmest wishes

Mrs Jo Storey
Principal
