QUINTON HOUSE SCHOOL

Admissions Policy 2021

Quinton House School is an independent, inclusive school. Places are offered to children with a good track record of both behaviour and positive attitude to learning.

1 Policy Statement

1.1 We welcome applications for admission from students of all backgrounds. This policy applies to all students, including those in our Early Years Foundation Stage. We admit students with an additional educational need and/or disability provided both parents and school conclude that we can provide appropriately for the child's specific needs.

2 Enquiries

2.1 All enquiries and applications should be made to the Admissions Manager. The Admissions Manager will ensure that you have all the information you need.

3 Visits

3.1 Prospective parents are encouraged to visit to see the school in action and to meet the Principal. Each term there is an open day which is an opportunity to tour the school on an informal basis. We encourage all parents to make an appointment for a personal tour. Please contact the Admissions Manager to arrange this.

4 Registration

4.1 Following a visit, parents wishing to register their child should complete a Registration Form and return it with a payment for the registration fee. The registration fee covers the cost of administering the registration procedure, including the waiting lists and is non-refundable. Registration is an indication of interest and is not a guarantee of a place.

4.2 The school will respond by confirming that the child's name has been placed on the admission list for the relevant term and year. If the year group is fully subscribed, they will be placed on a waiting list. A place is confirmed once a formal offer has been made by the school and a deposit has been received in return.

5 Admission to Nursery

5.1 Children are welcomed into the Nursery from 'rising 3', ie the third birthday will take place in the term in which they are admitted to the school. Although no formal assessment of children is undertaken, parents will be asked about their child's general development and any identified special educational needs prior to a place being offered. Places are not automatic; in some rare cases a place will not be offered if we judge that a child's development is below expectation or that they will not flourish in the environment we offer."

6 Taster Days

6.1 We offer Taster Days as an opportunity for children to experience school life and to allow the child, parents and staff to make an assessment of the suitability of each child joining the school.

7 Transition from Nursery to Reception

7.1 Transition from Nursery (age 3-4) to Reception (age 4-5) is automatic. Children are assessed based on an ongoing observation of their learning and development.

8 Transition through Year Groups

8.1 It is anticipated that all students will transition through the school and reap the rewards of the education on offer. Should this prove not to be the case, parents will be informed of any concerns at the earliest opportunity and at the latest before the end of the Spring Term if there appears to be any reason why the student may be refused a place in the subsequent year groups. In rare cases it may be that a student's progress or behaviour means that transfer to the next stage of the school is not deemed appropriate.

9 Admission to Other Year Groups

9.1 Children joining the school are assessed in Literacy and Numeracy, with subject assessments if joining at Year 9 and above. Each child will also have a brief interview with the Principal or

Head of Preparatory Division. Although parents will be asked about their child's general development and any identified special educational needs prior to a place being offered. Places are not automatic; in some rare cases a place will not be offered if we judge that a child's development is below expectation or that they will not flourish in the environment we offer."

9.2 Overseas students may be required to undertake a language proficiency assessment before a place is offered. This includes a written assessment and may also include an interview in person or via electronic media.

10 Allocation of Places

10.1 In the event that the number of children registered for any year group exceeds the places available, the following procedure will be applied:

- Siblings in the school
- Results obtained in standardised tests
- Length of time the child has been registered
- References from previous schools
- For a child entering the Nursery, a child requiring a full time place will be given priority over a children requesting a part time place, provided sufficient sessions are available.

11 Offer

11.1 The parents of each applicant will be informed within two weeks of their application whether a place is available. The school will not be obliged to state its reasons for declining a request for admission.

12 Waiting List

12.1 If no place is available, parents may place their child's name on the waiting list for the school. The school cannot guarantee when a place may become available.

13 Appeal

13.1 There is no appeal process for admission to the school. The decision of the Principal is final.

14 False Information

14.1 Where the school has made an offer of a place on the basis of a fraudulent or intentionally misleading application, which has effectively denied a place to a child with a stronger claim, the offer of a place will be withdrawn.

15 Overseas Students/Students with English as an Additional Language

15.1 We welcome students from a wide variety of cultural backgrounds, including overseas students and those with English as an additional language (EAL). Children entering the School must have an appropriate working knowledge of English and parents must be committed to supporting further English study at their cost, if necessary.

15.2 Overseas Students are required to have a guardian who is resident in the UK and who can act on behalf of the parents, if required. The school takes no responsibility for the appointments of guardians or overseas students.

16 Equality

16.1 The school pays due regard to the Equality Act 2010 and reasonable adjustments are made for students with special educational needs and/or disabilities.

16.2 Subject to our entry requirements being met, we welcome students with special educational needs or physical disabilities. We advise parents of children with special educational needs and/or physical disabilities to discuss their child's requirements with the school before registering for a place. This will enable the school to determine whether the school can make

reasonable adjustments to ensure that the child can flourish as a learner. Where necessary, parents will be asked to provide a copy of an Educational Psychologist's report or a medical report and the school may need to discuss provision with external agencies. The cost of such reports is the responsibility of the parent. Where specific provision is required, parents may be asked to pay an additional charge to meet these needs (staffing and/or resources). In some cases, the school may receive funding from the local authority to provide additional support.

17 Admissions Register

17.1 The school maintains an Admissions Register in line with regulatory requirements. See Admission, Attendance and Children Missing from Education Policy for further detail of statutory requirements.
