QUINTON HOUSE SCHOOL

Summer Term 2022

April - July

Guidelines for Pupils

Please spend some time looking through the booklet and make a note of the activities you would like to attend. You may wish to talk to your friends before deciding.

Clubs will start on Monday 25th April and will end on Friday 8th July.

Club sign up closes on **Friday 25th March** after which places will be randomly allocated. If the club is full, your child may be placed on a waiting list.

By signing up for an activity, you are committing yourself every week to attend until the end of term. If you are unable to attend a session, please bring a note in from your parent/ guardian and show it to the relevant teacher before the club starts. If within the first two weeks of the new term you wish to change activities, please ask your parent/guardian to write a letter to the teacher leading the club. You will be able to choose another activity within the first two weeks by asking the teacher in charge if there is room to join. Your name will then be added to the register.

For parents

Thank you for taking the time to look through this booklet with your child/ children. I hope you find lots of activities that he/she will enjoy. Please encourage your child/children to try something new – you never know they may surprise themselves and find they have a talent for something that they didn't know they were good at.

A couple of points to remember:

- **Unless stated otherwise clubs that incur an additional fee must be paid for in full by the end of the second week. If payment has not been received by this time your child's place will be suspended until the term's payment has been received in full.**
- **If your child receives instrumental or vocal tuition, please do not sign them up for a club on the same day.**

Music Groups

We would like to see as many children as possible enjoying music inside school and so we offer a wide range of lunchtime and after school clubs for your child. **We do like all pupils who have a music lesson in school to join in with one group as this builds a sense of belonging to the music family we are building here.**

Little Quinton Singers, Junior Quinton Singers and Senior Quinton Choir

We see the choirs here at Quinton House School as an integral ingredient of our music programme and your child's commitment is extremely important to us as they represent the school at many events both here and in the wider community much like our sport's teams.

In order to maintain a high quality group, we ask that the pupils make a year's commitment to choir and we hope that they enjoy the experience enough that they want to stay after this time.
