

Co-curricular Programme
Spring Term 2024

The background of the entire page is a close-up photograph of a white brick wall. Scattered across the wall are several colorful climbing holds in various shapes and sizes. The holds include yellow, green, and blue ones. Some are simple loops, while others have more complex, irregular shapes. They are attached to the wall with small screws. The lighting is bright, casting soft shadows from the holds onto the bricks.

Enriching young lives by stretching
body and mind – that's how we see the
outstanding range of co-curricular
clubs, activities and trips at Quinton
House School.

We are proud to offer such an extensive range
which is renewed & refreshed each term. Clubs run
before, during lunchtime & also after school with
the vast majority being included within our fee
structure, so incur no additional cost.

Preparatory School

Monday

Wellbeing Drop in	Painting Club
